

Attention HSBC Customers

This is to inform you that as per the State Bank of Pakistan Regulations we are required to obtain attested copies of **Computerized National Identity Cards (CNIC's)** of all our account holders. Customers who have not yet submitted the attested CNIC's are requested to submit an attested photocopy of their CNIC's at any of the HSBC Branches before 31st December 2009.

You may visit any of our Branches with your original CNIC in this regard.

In case of non-receipt of CNIC's please note that the bank will be compelled to block such accounts.

We appreciate your assistance and support in this matter.

For further information, please contact our Customer Service Officers at:
